#### GRADUATION

Graduation evening  
 Nineteen eighty four  
 We've reached a shining milestone  
 upon life's changing shore

The summer is before you  
 to savor and enjoy  
 to dream of future conquests  
 for every girl and boy

For some the years of study  
 are finished with this day  
 but learning will continue  
 as they pass along the way

Others face more schooling  
 more classes to attend  
 and wonder if this learning  
 will ever, ever, end

The years stretch out before us  
 and life will have it's way  
 with all the shiny graduates  
 who leave us here this day

We wish you all the very best  
 success in all you try  
 we'll miss you here  
 now that it's time  
 to say our last good-bye.

Nan Forster
